

Community Guidelines

ode is a space built on curiosity, respect, and a shared love of theatre. To keep it that way, all users agree to follow these guidelines:

1. Be Respectful

Treat other users with kindness and respect, even when you disagree. Discrimination, hate speech, personal attacks, and harassment will not be tolerated.

2. Keep It Constructive

Share thoughtful opinions and feedback. Whether you're reviewing a play or commenting on someone else's post, aim to contribute to meaningful dialogue.

3. No Spam or Self-Promotion

Avoid excessive self-promotion, unrelated links, or spammy behavior. Keep the focus on theatre and the community.

4. Protect Creative Work

Only post content you've created or have permission to share. Don't upload copyrighted material without proper rights.

5. Use Your Voice, Not Someone Else's

Don't impersonate other users, artists, or organizations. Use your real perspective, even if you're using a screen name.

6. Report, Don't Escalate

If you see behavior that violates these guidelines, report it through the platform. We'll review and take appropriate action.

Violations of these guidelines may result in content removal, account suspension, or termination. Let's keep ode a creative, respectful, and vibrant space for theatre-goers everywhere.
